

August 2007

Dear Patti Music Customer,

This is our **NEW ADDITIONS SUPPLEMENT** to the full 2006-2007 PATTI MUSIC CATALOG with the orange cover which will remain our primary catalog for all of 2007 and until summer of 2008. There are over 900 new titles in this supplement. This supplement directly corresponds in organization and layout to the full current catalog.

You can view and download our full 2006-2007 catalog along with this supplement. Except for titles that have gone out of print and price changes from the publisher, the 2006-2007 catalog remains current.

As always, thank you for your patronage and please call or E-mail with any questions or comments!
